3. Project Description

Please respond to the question(s) below thoroughly and succinctly. Statements of Interest may not exceed a total of 4 pages (two pages double-sided). Note that this includes the first page of Organization, Address and Project Information.

1. Explain how the project supports and aligns with ministry program priorities, focus areas and core objectives.

2. Outline the expertise, experience, and skills the applicant and partners possess to complete the proposed project and achieve the anticipated outcomes.

3. Provide details regarding how the project partners identified enhance the capacity and effectiveness of the proposed submission.

4. Highlight how the project incorporates a health equity lens ensuring that the proposed project contributes to improving health equity among priority populations.

5. Demonstrate how the project will have a lasting impact after the HWB Grant Program project funding ends.

6. Identify the community/priority populations that the proposed project will support and how they were selected.
