Our mutual patient noted above has had a MedsCheck completed by our pharmacist on

Date (yyyy/mm/dd)

The MedsCheck program aims to ensure that patients take medications as prescribed. It also aims to resolve or prevent any drug therapy problems identified by the patient or the pharmacist.

The resulting comprehensive **MedsCheck Personal Medication Record** is attached consolidating his/her prescription, non-prescription and natural health product profile.

This MedsCheck Personal Medication Record is for your reference and may be included as part of your patient's ongoing medical record.

Please see attached

Please take note of the following:

○ No follow-up issues have been identified at this time. The MedsCheck Personal Medication Record is an accurate assessment of the patient's prescription, non-prescription and natural health product usage at this current moment.

○ Follow-up issues have been identified with this MedsCheck review, and they have been summarized and are attached with this fax transmission.
