Non-reusable Return Form available at: www.forms.mgcs.gov.on.ca (form #3296-64)

By submitting this order and signing below, I verify on behalf of the practice the following:

- Refrigerators have maintained temperatures between +2°C to +8°C and temperatures are documented twice daily
- Accurate temperature logs will be provided upon request and are kept on site until our next annual cold chain inspection
- All temperature excursions outside of +2°C to +8°C (if applicable) have been reported to Toronto Public Health and recommendations regarding usage of the effected vaccines have been implemented by the practice
- A contingency plan is in place should a power outage and/or cold chain incident occur, including vaccine coolers and extra temperature monitoring devices

Note: If you are unable to verify any of the above, call **Toronto Public Health Immunization Information line at 416-338-7600.**
