Assigning Designee Access in GoSecure (OPS BPS)

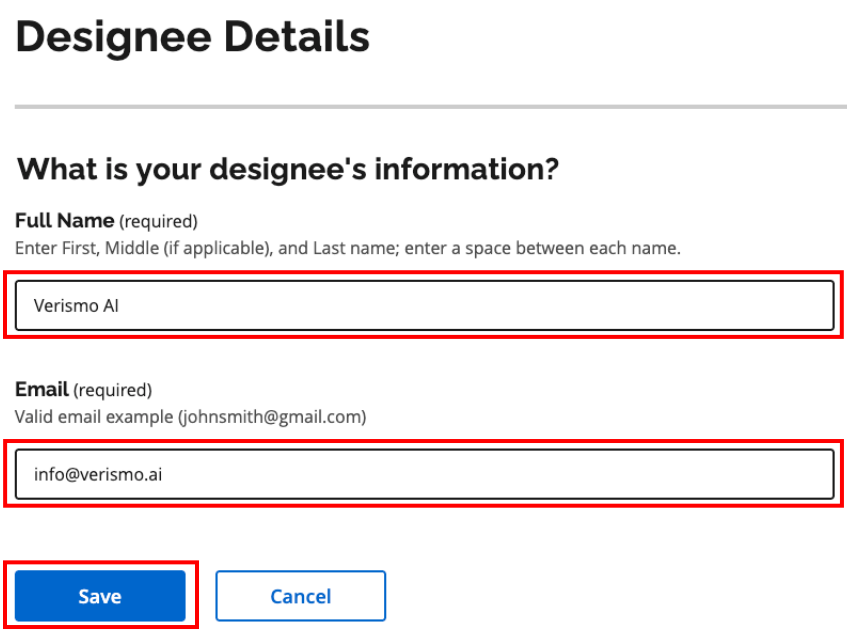

1. Visit https://www.login.security.gov.on.ca/opsbpssecure/public/login

2. Proceed to 'Add Designee'

3. Enter Verismo AI as **FULL NAME** and info@verismo.ai as **EMAIL**

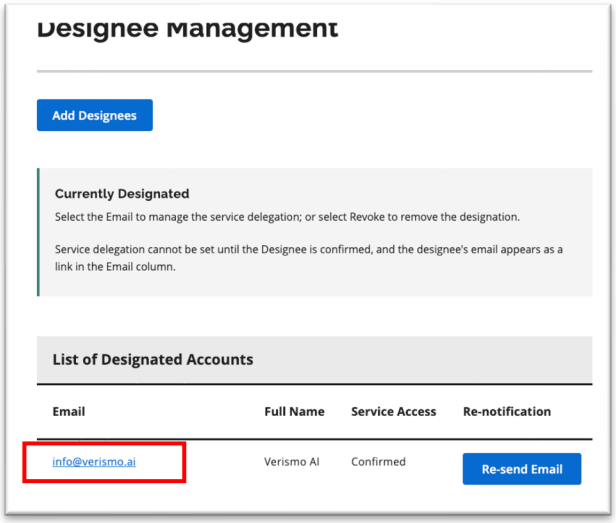

STAGE 2 · AUTOMATED ACCEPTANCE AND PROVIDER SYNC

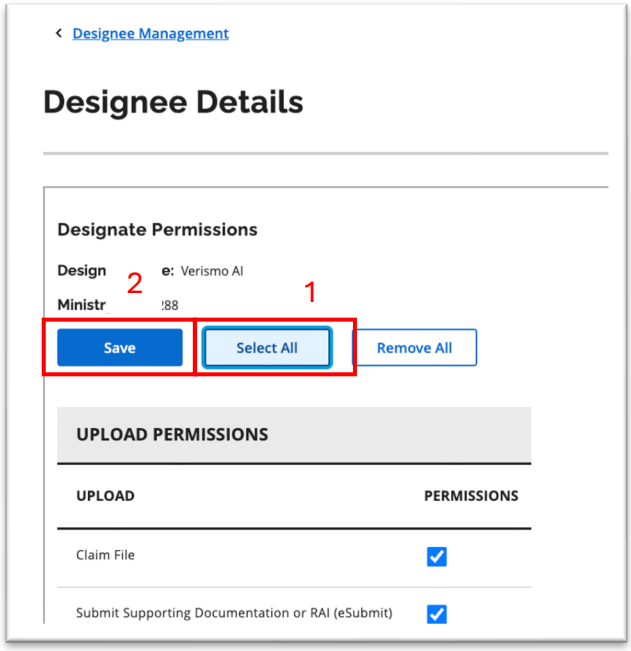

After you save, Verismo checks every 5 minutes and syncs the designation automatically.

STAGE 3 · SELECT ALL OBS BPS PERMISSIONS

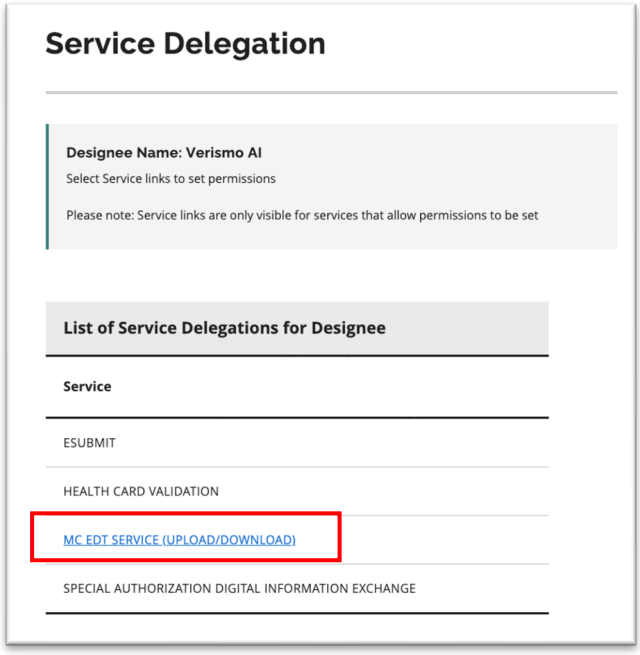

Return to Designee Management and open info@verismo.ai to grant permissions.

5a. If you see the ‘Designee Details’ screen, please choose ‘Select All’ & ‘Save’

5b. If you see ‘Service Delegation’ screen, click on the ‘MC EDT SERVICE (UPLOAD/DOWNLOAD)

STAGE 4 · APEX VERIFIES ACCESS AUTOMATICALLY

After you save, APEX verifies access automatically, then continues to MFA and the dashboard.
